

# God Destroyed The World Because Of Evil Thoughts

## ***America Is Saturated With Evil Thoughts Today***

Carefully notice that Genesis 6:5 says God destroyed the world by a flood because their “*THOUGHTS*” were “*EVIL CONTINUALLY*.” It was their thoughts that compelled them to commit heinous acts of wickedness.

Dirty-thinking leads to dirty-living. God saw that they were beyond hope, saturated with evil thinking. America is a dirty-minded nation today! Most people have garbage-pails for minds. Television has become a cesspool of iniquity. Everything has turned sexually-suggestive these days. Television commercials, programs and sitcoms are saturated with immodestly clothed women.

The Lord foretold in Matthew 24:37-39 that the world in the end times would return to the mindset of Noah's day. *Matthew 24:37-39, “But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.”* Eating and drinking aren't sinful, but it is a sin to live without God. That's what they were doing in Noah's time. No one cared about the truth. No one cared about what God had to say. Noah's gospel preaching fell on spiritually deaf ears and hardened hearts. Because of their rejection of the Word of God, their thoughts gradually became worse-and-worse until, “*every imagination of THE THOUGHTS of his heart was only evil continually*” (Genesis 6:5).

Consider how gluttonous and obese Americans have become! Consider how we've deteriorated into a sex-crazed society of sexually-suggestive advertising, Viagra, breast implants, plastic surgery, perversion, smutty magazines, escort services, divorce-remarriage, lewdness on television and adulterous nightclubs nationwide. American businesses are highly dishonest—bathed in shady fine print, hidden traps and deceptive

advertising. Is this not exactly like the time of Noah? All people want to do these days is party, play, sex, wine and dine. Mankind was created to please God (Revelation 4:11). Very few people desire to please God. A believer who walks with God is a humble servant of God, in contrast to the arrogance of the wicked who shake their fists at God.

Please don't be deceived, the same-sex agenda and gay-rights is horrible wickedness and such evils will lead to America's total destruction. God will not bless a wicked nation. Look at our faltering economy today. Do you think it has nothing to do with the plague of covetousness, gluttony, lesbianism, drunkenness, indecency, lying, pride, lewdness, feminism and abortion in our country? To the same degree that American culture embraces sin, to that same degree the Communists are taking over, and God is letting it happen as judgment against us for tolerating sin. God will not be mocked. We all grow old and die, but God is forever young. Oh that God's children today would take a stand for God and against evil! We can have revival anytime God's people will pay the price!

Music has become disgusting and perverted, containing vulgar lyrics which glorifies everything unholy and shameful. Even so-called *Contemporary Christian Music* (CCM) is sensual, inappropriate and worldly. No wonder today's youth are so messed-up! The old saying is that "sex sells!" Sadly, it's true, because SIN SELLS. The wicked human heart always gravitates toward sin and evil. People always tend to watch the most raunchiest and violent shows on TV. The ratings prove it! Since being immoral brings in higher ratings and more paying advertisers and endorsements, they do it. Although all TV is getting corrupt, here's some of the better and worse programming on U.S. television these days...

### *Best And Worst TV Shows* (by the Parents Television Council)

I'm so glad that I don't watch television. Thankfully, I'm not familiar with any of the TV shows in the aforementioned list from the *Parents Television Council* (PTC). I have to go on the internet to see re-runs if I want to research and expose what's on TV these days.

### ***Seth MacFarlane, Atheist Creator Of Sick-Minded "American Dad!" Show***

I was curious when I saw a show called "American Dad" in the list of the worst shows on TV. FOX TV runs episodes of this program regularly. This particular episode is titled, "Toy Whorey." In this episode a brother and sister are shown in bed together. The sister is sticking a thermometer in her brother's rear-end. When the father decides to take away his son's toys, the son pulls a gun on his father and shoots him. The father is mugged in the boy's room and then the father crawls out all fours, whimpering like a dog. Next, the father tells the son that he's taking him to a whore-house in Mexico for sex. After leaving three unsatisfactory brothels, the father expresses his frustration by saying that he really wanted to watch his son have sex with a prostitute. Then they meet a Mexican drug-cartel and relish in smelling each other flatulence. The show even mocks fathers by saying, "American dad cares!" The jerks behind the program series know that American dads in fact, DON'T CARE, and that's the big problem in America!

I was shocked. I didn't realize how sicko, immoral and bad television has become. I've never really been a TV buff, but in just the few years that I haven't watched any TV it has changed 10,000%!!! I don't recognize one show on TV today. I'm happy about that.

You can have the television, I don't need it. I'll spend my spare time learning, making music and working hard to build my ministry for the Lord. FOX features programs about serial killers, sex-perversion, you name it. No wonder America is getting worse and worse!

In another episode of American Dad called “Finger Lenting Good,” there's too much perversion to mention. A decrepit old man has a necklace of cut-off fingers around his neck. The old creepy man say he went on a sex-tour to Vietnam two years ago. While there he started cutting-off and collecting people's fingers. The old man says that he has installed cameras around the home, but didn't put any in the tampons. The saddest part of all is how many Americans flock to watch this sick-minded garbage. Tens-of-millions of viewers watch this garbage!!!

Show creator Seth MacFarlane is a professed, arrogant, defiant, atheist. Bill Maher recently invited Seth MacFarlane onto his show and they both rejoiced as atheists against God and the Bible. MacFarlane is also a staunch supporter of gay-rights. In recognition of “his active, passionate commitment to Humanist values, and his fearless support of equal marriage rights and other social justice issues,” MacFarlane was named the “Harvard Humanist Of The Year” in 2011. MacFarlane is also the biggest loser in God's view. It's important for my web visitors to realize that atheism and every form of wickedness go hand-in-hand. You won't find God in the booze-infested taverns. You won't find God in the adulterous nightclubs. You won't find the God of the Bible in the life of a homosexual.

When I first saw an episode of American Dad!, I knew that MacFarlane was far from God, and I was correct. MacFarlane denies God's existence altogether, which explains why he can produce such evil works like “American Dad!” The show mocks God and makes fun of Christianity regularly, as to be expected. It shouldn't come as a surprise that an atheist would be an active supporter of homosexuality. “American Dad!” officially premiered after Fox's broadcast of the Super Bowl XXXIX on February 6, 2005, alongside “The Simpsons,” with “Pilot.” The show debuted to 15 million viewers, with 23 million viewers in overall, alongside *The Simpsons* with ratings. The show returned on May 1, 2005, with “Threat Levels,” obtaining 9.47 million viewers, after the season premiere of the revival of *Family Guy*.

*American Dad!* has been nominated for awards, most prominently two Primetime Emmy Awards and two Annie Awards, though it has been criticized by some watchdog groups such as the Parents Television Council. Since its debut on February 6, 2005, the show has broadcast 142 episodes and began airing season 8 on September 30, 2012. It holds a TV-14 rating for suggestive dialogue (D), offensive language (L), moderate to strong sexual content (S), and graphic violence (V).<sup>[1]</sup>

This is free primetime TV aired all across America, not paid cable. You can't lay with dogs and not get fleas! You can't sow your wild oats and pray for crop failure! Even the daily news is saturated with filthy. America is plagued with EVIL THOUGHTS. Sin is the best detective, it always gets its man. This nation is headed for the dust! Each daily, increasingly, it is becoming easier to see the fulfillment of the Lord's Words in *Matthew 24:37-39*, “*But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.*”

## ***CNN's New Shameful And Shameless Moral Low In 2013***

On New Year's Eve (December 31, 2012), Kathy Griffin kissed Anderson Cooper's crotch on CNN national television. Two days later she shamelessly boasted about doing it on The David Letterman Show. The public praised her as some kind of super celebrity for being dirty, suggestive and disgusting on national TV. Griffin has also publicly removed her dress on CNN. They have no shame. Of course, Mr. Cooper is admittedly a homosexual and has been dating a male bar owner for some time. Cooper went public about his homosexuality in July of 2012.

Sadly, FOX, CNN, ABC and all the other hellish TV networks have learned that the American public today is 100% the opposite of their great grandparents 60-70 years ago. Whereas indecency wasn't tolerated in the 1940's and 1950's on TV, today it's expected and promoted. It wasn't until the 1970's with the legalization of abortion, and the 1960's free-love movement (pushed by Playboy and Cosmopolitan magazines) that television started really going downhill. By the 1990's TV had taken a nose dive into Hell. Today, anything goes!

## ***American Women Had 307,000 Breast Implants In 2011***

The liberal television networks dye Anderson Cooper's dark hair white to make him look older, wiser and conservative, just like they do former U.S. President Bill Clinton's hair. Even Hillary has her hair dyed white to make her look conservative (like granny knows best). The public falls for it every time. Image is everything!!! Tragically, because of the [Playboy philosophy in America](#) and the sexualization of our society by Madison avenue advertising and Hollywood, men are obsessed with a woman's breast size. [In 2011 American women underwent 307,000 breast enlargement surgeries!!!](#) That's up 45% from the year 2000!!! What in the world are we as a society teaching our young girls? It's because of our sinful thoughts. Women are getting breast implant surgery because that's what society dictates!

The popular philosophy is that bigger breasts boost self-confidence. Isn't that shallow? Truly, beauty is only skin deep. Breast implants have to be replaced and removed eventually as you grow old. Did you know that? The silicone bags can burst and leak fluid. Did you know that? They also put a strain on your back. I knew a woman who had lots of back problems because of her breast implants, so she paid again to have them reduced. Leave what God made alone! Breast implants make a woman's breasts cold, because there's not the natural heat which real breasts have. Did you know that ladies? I'm simply trying to encourage anyone reading this to appreciate what God has given you. I know there are medical exceptions due to cancer, et cetera. I'm not criticizing anyone. I'm simply saying that there's a serious epidemic of low self-esteem in this country, compelling women to get surgery to have bigger breasts. There's something wrong with that, don't you think? If you have to have bigger breasts to be happy in life, I feel sorry for you.

Nobody is content anymore with the way God made things. Men want private part enlargements. Women want larger breasts. The desire to change what God made is a consequence of evil thinking in my humble opinion. We have become a society run amuck and out of control spiritually. As America delves further into the blackness of sin, men want larger private parts, women want larger breasts, plastic surgery is

commonplace and Colorado is now the sex-change capital of the United States! I've read some really bizarre stories that for the sake of decency I won't even go into. This country is crazy!

God destroyed the world in the flood because their thoughts were continually evil. All of the obsession in the world today with sex-enhancing drugs like Viagra, enlargement surgeries, abortions galore, lewd television and smutty videos and related woes are a clear sign of the spiritual decadence of this generation. The level of evil is unprecedented because technology has permitted mankind to sin like never before. I believe that's why God didn't allow man to discover oil, household electricity, nuclear energy and all of our modern conveniences until after 5,850 years of civilization. God knew that man would destroy himself if given the opportunity. The industrial revolution is the foundation of the New World Order!

Why tamper with what God made 'very good' the Bible says (Genesis 1:31). I like my bald head. I don't want hair restoration treatment. I want to look the way God created and intended for me to look. I don't want plastic surgery. I don't want to be someone else. My life is filled with burdens, heartaches and problems, but I wouldn't trade it for any life in the world, because this is the life God meant for me.

If you need bigger muscles as a man to feel like a man, then you haven't truly discovered what manhood is yet. You'll never feel more like a man than when you believe on the Lord Jesus Christ, receiving Christ's death, burial and resurrection as payment for your sins. I was thinking about salvation one day and it occurred to me that it requires honesty for a person to believe the gospel. Honesty is acknowledging the truth. You'll never feel more like a man or woman than when you acknowledge the truth and deal with it accordingly. Most people are living a lie. I mailed a copy of "I Never Knew You" by Michael Bowen to a man in late 2012. He won't even talk to me because he thinks I'm a bigoted Christian. He's into New Age philosophies and reincarnation. All I can do is pray for him, for God's Holy Spirit to work in his life, that he'll hopefully one day (before it's too late) be HONEST with himself concerning the truth of the gospel of Jesus Christ. We are all living on borrowed time my friend.

## ***Americans Have Gone Totally Insane!!!***

While Americans continue to murder MILLIONS of unintended and unwanted pregnancies (children) every year by abortion; thousands of Americans simultaneously pay \$15,000 to \$40,000 and fly to India to RENT-A-WOMB to have children!!!

- Oprah on Renting Wombs in India: "It's beautiful" (reproductive-tourism booming in India)
- India, the Rent-a-Womb Capital of the World (now we're outsourcing making babies to India!)

It's "insanity because we're in sin," as Brother Roloff (1914-1982) says in his awesome preaching! Leave what God made alone! Genesis 1:31 says that everything God made was very good, and that includes humanity. God doesn't make junk. God doesn't make mistakes! No one is born a homosexual! The thought that it is acceptable for two members of the same-sex to sexually mate is an evil thought. Surely, America's

infatuation with the homosexual agenda is a continually evil imagination that will bring God's judgment.

Perversion is everywhere. The ever-popular Late Night TV shows of David Letterman, The Tonight Show with Jay Leno, Conan O'Brien and a host of other perverts have led America into ruin. For years Conan O'Brien mocked God, singing gleefully about going to Hell when he dies. Prime-Time television is nothing but sex, sex, sex. Sick CBS Sitcom 'The Big Bang Theory' Is Highest Rated Sex Perversion On Television. Americans are dirty-minded perverts because of the evils of television!!! Walt Disney targets teenagers with sexual immorality, fornication, new morality, the irresponsible Playboy philosophy and feminist indoctrination. Disney's *NICKELODEON* (Nick) openly promotes lesbianism and homosexuality, featuring effeminate boys giving flowers to other boys.

TV is waxing worse-and-worse each season. The *Women's Entertainment* (We) channel has produced a new sleazy show titled, "*Pregnant And Dating*," featuring pregnant women who are whoring around. The sicko program uses the slogan, "Taking control." What a joke... taking control? These are irresponsible women who couldn't keep their clothes on in the first place! They were reckless committing sexual immorality. They were reckless for unintentionally getting pregnant. Taking control? I don't think so! It's bad enough that they're pregnant by another man to whom they're not married, but now they're dating other men before even having the baby. It's a little too late to "take control" of their life after they're pregnant, the father of the child is gone and now they're already dating strangers. America is a society of whores and whoremongers!

Television and the evil people who are featured in these evil films make a total mockery of Biblical morality. They laugh and joke about dating while pregnant like it's a big joke. Ha! Ha! Ha! Well God is not amused. God is not laughing! How far will the vile television networks go to boost ratings?

Abortion is the consequence of shameless (or I should say 'shameful') adultery and fornication, which are epidemic all across America. Woe unto America!!! We are a nation of reckless adulterers, vile homosexuals, lustful sex-perverts and cold-blooded murderers!!! There was a respectable time in America when a woman who was pregnant out-of-wedlock was embarrassed and ashamed; but nowadays loose women boast on national TV that they're "*Pregnant And Dating*."

It was reported in a U.S. news special investigating the nationwide epidemic of prostitution, that some men pay extra money to have sex with a pregnant prostitute. Underaged children are also sold at a premium price. America's police officers have to deal with a lot of unthinkable crimes. It's not a job to be coveted. Truly, our degenerate culture is becoming just as evil as it was in the days of Noah, when people's thoughts were continually evil. Everyone is getting married, divorced and remarried these days. It's the norm now in America, and it's evil to the core!!! Evidence of this is the prevalence of dating websites like E-Harmony.com, FriendFinder.com, Match.com, ChristianMingle.com and umpteen others. *ChristianMingle* is based in Beverly Hills, California and also matches up gay homosexuals. So much for being "Christian." There are hundreds of complaints found in online search engines against the company. Yet, from their TV commercials you'd think that it's a great business.

The sad reality is that feminism has ruined American women. In the old days a century ago, women were taught that motherhood was their greatest goal, expectation and achievement in life. It was common to have a dozen children, and it was something to

be proud of. Today women are made to feel irresponsible, oversexed and selfish for having 7 children; thus, increasing their carbon footprint (burdening mother nature), reducing the amount of inheritance per added child and contributing to the alleged overpopulation threat. In today's evil world, motherhood is scorned, mocked and even done away with by the abortion industry.

There have been thousands of horror stories of sex-perverts using online dating services to exploit others. Background checks are never done. Many people are deceptive, using a photo of them self from 10 or 15 years ago, or even using someone else's photo. TV commercials are relentlessly promoting adult sex toys, sex enhancement products, dirty chat lines, et cetera. So many people's minds are in the gutter. Late Night Television shows and Saturday Night Live are vile, perverted and disgusting. Actor Alec Baldwin was recently featured on SNL, portrayed as trying to buy a sex hand-job from a female cast member. Amazon.com calls it "the best of Alec Baldwin," but I say it's the WORST! Shame on anyone who makes fun of prostitution! The Jewish controlled TV networks all blaspheme the Lord Jesus Christ and mock Biblical truth. Many Jews hate Christ today as much as when they crucified Him 2,000 years ago. They also hate Christians. Albeit, I love Jewish people, as does the Lord. God loves all people.

Jesus foretold that in the end times people would marry and be given in marriage, that is, going from one failed marriage to another (Matthew 24:37-39). People don't work out their marriage problems anymore, they just file for divorce and move on. It's a wicked sin!!!

Hollywood television executives have been exposed by the 'Parents TV Council' for exploiting underaged teen girls sexually for profits. Nothing is done about it. Hollywood hates Christians. In March of 2012 a sitcom was broadcast on TV called 'GCB' (Good Christian Bitches). Only wealthy Hollywood could get away with that. Sadly, the American public loved the disgraceful show.

*"In the United States today, there is a pervasive tendency to treat children as adults, and adults as children. The options of children are thus steadily expanded, while those of adults are progressively constricted. The result is unruly children and childish adults." —Dr. Thomas Szasz, PhD*

Isn't that the truth! Professor Szasz has fought relentlessly to stop forced (involuntary) psychological treatments, of which he was victimized himself. Do some research on the internet about the history of extreme psychiatric treatments and you'll be shocked how insane and abuse so-called 'medical profession' can be. Sadly, the law often backs their monstrous treatments. Psychiatrist's offices are full of messed-up Americans, who refuse to obey God's Word. Our culture is so devoid of God's Word that society is falling apart. So instead they're drugged-up in addition to messed-up. What we need to do is look up to Jesus!

## ***The Communist Subversion Of America***

The average person is woefully ignorant of the reason for all the wickedness and corruption across America. It's much more than just 320,000,000 people who decided to corrupt themselves for the past half-century. One of the clearest evidences, amongst a preponderance of such evidences that history bears witness to, was the ungodly recommendation of George Brock Chisholm in 1954. By the way, Mr. Chisholm was the first official head of The World Health Organization (WHO). So he wasn't just some whacko with a sinful opinion, he helped administrate the United Nations and steer the future of education in America...

**“To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas.” —George Brock Chisholm, in a Speech given at the, Conference on Education, Asilomar, California, September 11, 1954**

Listen to what the former President of the *American Psychological Association* (ASA) said:

**“We can choose to use our growing knowledge to enslave people in ways never dreamed of before, depersonalizing them, controlling them by means so carefully selected that they will perhaps never be aware of their loss of personhood.”**

—Carl R. Rodgers, Former President of the American Psychological Association (APA)

Scary huh? Do you think the criminals behind the New World Order have overlooked this fact? Not on your life. There's some serious damaging psychology at work in Hollywood movies, television and music that's influencing our society today for Satan.

**“One of the least understood strategies of the world revolution now moving rapidly toward its goal is the use of mind control as a major means of obtaining the consent of the people who will be subjects of the New World Order.” —K.M. Heaton, The National Educator**

A Godless group of elite snobs, reaching back generations to the founding of the United Nations and earlier, have been plotting the destruction of Christianity, freedom, national sovereignty, individualism and personal liberty. There has always been only two opposing sides at spiritual war: God verses the Devil, good verses evil, traditional marriage verses new immorality, normal verses abnormal, love verses hate, and man's will verses God's will. Communists failed to conquer the world by force, so they turned to less conventional means, infiltrating educational institutions, the medical industry, entertainment, newsmedia and even religious denominations to overthrow America. If they can conquer America, then they have effectively conquered the world.

Concerning the present Obama gun-grab and corruption of Congress, Sheriff Richard Mack stated:

*“This is a very historic time for us. ... This is absolutely the most critical time in American history since the Civil War. I'm not kidding. This is the most critical time. We are the generation, right now deciding if we're going to go along with the Communist agenda that's going on in Washington D.C. right now; or if we're going to maintain and preserve our Constitutional republic. This is America!”*

—January 18, 2013; Sheriff Richard Mack; The Infowars Nightly News

#### Like Obama On Gun Control, Hitler Used Children To Push His Propaganda Schemes

Although the Soviet Communist regime crumbled in the 1980's, the same International Banking Cartel (Wall Street) that pioneered and financed Lenin's Revolutionary War are at work today (their successors of course). Wall Street And The Rise Of Hitler (free online fascinating book by Antony C. Sutton). Wall Street And World Revolution!

Wall Street-Nazi Collaboration In World War II (modern Israel birthed by Wall Street). The average person will NEVER learn the truth. 2nd Timothy 3:7 speaks of those people who are “*Ever learning, and never able to come to the knowledge of the truth.*” Until a person accepts the Bible as God's inspired Words, and believes the gospel of Jesus Christ, they will remain ignorant. You cannot properly understand the New World Order without a Biblical perspective.

Having said that, ironically most Bible-believers are woefully ignorant of world history and what's happening in the real world today. So it's important that you believe and study the Bible, and that you also search for the truth in secular literature. History is filled with lies intended to mislead the historian. God always gives us a source of truth if we desire it. I am a truth-seeker, proudly so, and so should you be. I want to know what really happened. It is more important to study history than prophecy, because history always repeats itself. Most people are woefully naive of history.

What is happening right now in America is exactly what happened to Germany and China before they were overcome by fascists and tyrants. China's forced abortion policy began as a mere tax on more than 2 children. Any partial ban on guns today in America will result in a total disarmament tomorrow. Don't be a fool, fight to keep your guns! THE TRUTH ABOUT COMMUNISM (2 hour documentary evidences the perils of disarmed citizens. Watch innocent citizens having their heads blown off by thug police).

## ***The Triumphing Of The Wicked Is Short!***

King David asks a very plain question in Psalms 94:3, and Job provides us with the very plain answer in Job 20:5. David asks God “how long” shall the wicked prosper? It seems today in 2013 that the wicked are triumphing over the righteous in the United States. I know that Christians are tired and frustrated, which is the way we should feel. It comes with the territory of being a God-fearing, Bible-believing, truth-seeking, caring,

Christian. It is frustrating seeing homosexuals in The White House and U.S. Supreme Court running our country. It's tiring to continually go against the grain, swimming upstream, fighting a never-ending war against evil and perversion. That's the way it appears, but looks are deceiving my friend. God is still on His throne! God is not losing ground. God is not becoming worried or concerned. *Psalms 94:3, "LORD, how long shall the wicked, how long shall the wicked triumph?"* Ah, Job has the answer for us in *Job 20:5, "That the triumphing of the wicked is short, and the joy of the hypocrite but for a moment?"*

That's an interesting statement, "the joy of the hypocrite!" America is the land of hypocrites, who find joy in condemning the righteous. It's been in mainstream news that Neal Schon, longtime guitar player for the Rock band *Journey*, married a woman and then two months later ran off with another man's wife. Schon defends himself by saying it was true love. Check Wikipedia and NOTHING is mentioned. The internet is saturated with hypocrites who condemn others for their sins, while their plate is loaded with sin. *1st Timothy 5:24, "Some men's sins are open beforehand, going before to judgment; and some men they follow after."*

I noticed [a video by loser, Sarah Silverman](#) online today, where she accuses God-fearing Christians of inciting bullying and suicide amongst homosexual youth. It is sad that such a beautiful woman outwardly can be so ugly inwardly. Truly, beauty is only skin deep. As a born-again Christian I'm sick and tired of gay-supporters distorting the truth. The Bible is God's Word. Christians have every right to believe the Bible, and to express their views from the Bible. Unfortunately for homosexuals, the Bible does not approve of their abnormal, ungodly and demented lifestyle. I say "unfortunate" because God has already won the battle. Gays think that they're taking control, but the Word of God plainly warns that the triumph of the wicked is short, very short.

Homosexuals are trying to separate God from the religious right, but it cannot be done. Homosexuals are trying to portray God-fearing Christians as haters and bigots. My friend, by definition God is the ultimate bigot, because it's His way or you burn in Hell forever! I'm as narrow-minded as the Bible. If believing and obeying the Bible makes me a bigot, then so be it. But the truth is that homosexuality is a sin, whether you agree with that or not is irrelevant to the truth of God's Word. If you go against the holy Bible, you will be the only loser. I'll be in Heaven, enjoying the blessings and presence of the Lord Jesus Christ. Where will you be?

The internet has become the Devil's playground. Most forums (including religious forums and blogs) are nothing but gossip centers, slandering everyone who has any obvious faults and sins. If you are a Christian, the whole world is waiting for you to fall. The internet has gotten really bad. YouTube is going downhill fast, promoting some of the raunchiest videos and advertisements. YouTube has advertisements for "single black girls" and other inappropriate ads all over the place. Dating websites plague the internet because America has become a nation of adulterous whores and whoremongers. Nudity should be banned on the internet, but it's allowed, including all over YouTube. Sadly, the more that viewers upload smutty garbage, the more it ruins the internet. It's really sad how vulgar and hateful so many of the comments are. I looked at a Asian man's cooking channel. It's a great channel. For no apparent reason someone is making degrading, insulting and hurtful comments about the man. It's just plain wrong!

Nothing is natural nor normal anymore. Sex-enhancement drugs is not natural. Breast implants are not natural. Sex-education for grade-schoolers is not normal. It's taking

away their innocence and leading them into fornication. Walt Disney promotes “scoring” with the girls to teenage boys. All of the music videos feature young girls dressed-up like slutty prostitutes, lying in bed, bending over, wearing lip gloss and high heels. That’s the wicked Playboy philosophy that has destroyed family values in America. Hell will be hot! The sad thing is that when all these wicked people die off, their leaving a hellish mess for the next generation to deal with. If you live in sin today, someone will suffer for it tomorrow. Sin always hurts others.

## *Every Imagination Of The Heart Was Continually Evil In Noah's Time*

As a testimony to the depth of perversion in American society today, consider that one of the highest rated TV shows (having now run for multiple seasons) is 'Dance Moms', a sicko show that turns 8-year-old little girls into whores, strippers and sluts. Is it any wonder why the problem of pedophiles raping little children is increasingly becoming epidemic in America? It’s not that hard to figure out. A certain percentage of society always falls prey to evil influences. Legalize booze and a small percentage of drunk-drivers will murder innocent citizens and children. Promote songs like Ozzy Osbourne’s song, ‘SUICIDE’ and a small percentage of youth will kill themselves.

Produce movies like 'Friday 13th' and a small percentage of psychos will commit copycat crimes of what they see on the movie screen. It gives people ideas. Dress little girls up like prostitutes in public and a small percentage of sickos will rape them. Legalize gambling casinos and a small percentage of gamblers will lose everything they own to their addiction. And so forth. And worst of all, the U.S. Supreme Court foolishly banned the Bible from children’s curriculum since 1963. To educate a child without God is to create a ticking time bomb (and the globalists have known it all along, which is their plan to destroy families). The best thing we can all do is rid our homes of television. There are many things that parents can do to protect their children, but the biggest threat today is the television, bar none!

Add all those small percentages of evildoers together and you’ve got a big percentage of out-of-control, insane, messed-up, heathens. How can you reasonably expect a safe country? You cannot! So the answer from most people is more laws, stiffer penalties and increased surveillance nationwide. In short, a police state, which the globalists are more than obliged to impose upon Americans. You can’t even sit in a park anymore in New York unless you have a child with you, otherwise you’ll be fined and/or given a court date. Our nation is going to the Devil. Every major city in America is infested with drug gangs.

I guarantee you that once guns are taken away that chip implants will be soon to follow. The pedophile problem is going to escalate so much in America that parents are going to beg for microchip implants in all children (and that’s the sales pitch that The White House will use). The White House will mandate chip implants for all kids (for their safety of course). Binge-drinkers kill 9 times more Americans every year than homicides by gun; yet The White House wants to ban guns instead of lift a finger to deal with the alcohol problem in America.

I am 100% convinced that the globalists were behind all of the recent mass shootings across America. The details are too peculiar and involve too many weird details. Staged flag terror incidents are so easy to perceive. It was a joke that they claimed to have

caught Bin Laden and dumped his body at sea. I don't believe that for a second. And then conveniently the helicopter for Navy Seal Team 6 blows up months later, killing all two dozen of the witnesses who allegedly captured Bin Laden. Boy, the globalists were really paranoid about loose ends tracing them back to the 911 attacks.

The evidence is so obvious, but their hands never set off a bomb, so they walk free, even though they orchestrated the whole thing. We're not all being fooled. As strange as it may seem, the globalists even boast in our faces that they're behind the 911 attacks, setting their mark firmly upon ground zero in New York. The White House has been hijacked by a rogue gang of cutthroat Wall Street thugs, just as President John F. Kennedy warned a group of college students just 10-days before he was assassinated by the banking cartel.

Television Is The Enemy Of All Righteousness (Brother Lester Roloff, 1914-1982). Children growing-up these days don't stand a chance spiritually in this sicko, perverted, degenerate and faithless nation anymore. Philadelphia Schools Install 22 Condom Dispensers To Combat Epidemic of Teens With STD's. The United States has already gone down the tubes spiritually. Our sovereignty (freedom from dependence upon other countries) is gone. Everything is imported, most of it made in China. Communist China is quickly surpassing the United States as the economic superpower of the world.

I could go on-and-on about the mess America is in today. Crime is out-of-control. Thousands of street gangs terrorize the country. Cities are going broke and laying off police and fire fighters. The globalists have forced everyone into default through the deindustrialization of our nation, deceptive loan practices, over-taxation and shady interest rate manipulating. Homes in Syracuse, New York are selling for only \$59,000 for a big home, because the property taxes are upwards of \$10,000 per year! In Ohio home owners pay under \$1,000 a year in most rural places. New York is corrupt and run by criminals. It's now illegal to buy or sell 20 ounce soft-drinks in New York. Laws, laws and more laws. They're setting up a prison-planet, police state! Can you imagine what it's going to be like when only the street gangs and criminals have guns? They don't have guns in Japan, but they also don't have a massive drug-gang problem either.

## ***Behind Every Tragedy in Human Character is a Slow Process of Evil Thinking***

Evil thinking precedes evil living. This is exactly why the Bible commands every Christian believer in 2nd Corinthians 10:5 to bring "into captivity every thought to the obedience of Christ." Please understand that the Christian life is NOT personal good character which comes from discipline over time. The Bible teaches in Galatians 2:20 that "CHRIST LIVETH IN ME." You may have lived in gross immorality your entire life, but you can start living right the very moment you receive Jesus Christ as your Savior. You can obey the Lord in any given instance. The Christian life is Jesus living through me, not me living through myself.

A lot of unsaved people have bodily discipline and character; such as in the military or professional athletes, but they do not know the Savior Jesus Christ at all. The Bible teaches that Christ lives in me as a born-again Christian. Galatians 2:20, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved

*me, and gave himself for me.*" Christ is the Holy Spirit living in my body (Romans 8:9; 1st Corinthians 3:16-17).

Character is the subconscious doing of right, which comes only from the continually habit of doing right over time. Every time that a person lies, cheats or steals they undermine their personal character, becoming more evil. Likewise, every time that a person chooses to do the right thing (right in God's eyes), it strengthens that person's spiritual character. As Christian believers we ought to desire to think, live and do right continually to please God. Albeit, don't confuse the Holy Spirit of God living in you (as a believer) with personal character and discipline. If we get into the habit of obeying the Spirit, then we develop good character over time.

And the opposite can be true as well. The more we obey God, the harder it becomes to do evil. Christians rarely jump from doing good to evil all at once. Most often it's a slow process that gradually develops over time, taking steps downhill a little at a time. Then one day you wonder how you ever wandered so far away from where you started for God. A sure sign that we're getting away from God is when we haven't read the Bible for awhile. Abiding in the Scriptures and praying is how to stay right with God as a Christian. To not pray is a sign of sinful pride. Humble believers pray and read their Bible regularly.

This is why the author of Hebrews teaches us as believers in Hebrews 3:13 to "***exhort one another daily, while it is called To day; lest any of you be hardened through the deceitfulness of sin.***" What a powerful Scripture! It means that sin, if allowed to go unchecked in a person's life or society, will cause people's hearts to become hardened and tolerant toward sin. This is exactly what has happened in America. Abortion is no longer considered murder. Homosexuality is no longer considered strange and mentally-ill. Binge drinking is commonplace and is now considered a part of mainstream American living. The daily news is saturated with insane stories. I read the other day in the January 16, 2013 news about a 20-year-old son who is having an adulterous affair with his step-mother (just like the sinful couple in 1st Corinthians 5:1-5). Except this son and his step-mother in the news plotted to murder the father/husband for the insurance policy money. It was just one of dozens of bizarre headlines across America in one day.

MTV 'SHOWZEN' Episode Calls God A Loser, So He Commits Suicide And They Eat God's Body

Brother Lester Roloff (1914-1982) preached a life-changing and needful sermon back in 1967 that sounds like it was preached yesterday in 2013, totally describing in detail the mess in America and the consequences of television, booze and numerous other sins plaguing our nation...

## **Steps In The Degeneration Of Our Nation**

American television is run amuck with violence, sex perversion and all manner of evil. It's virtually unheard of these days to find women who wear lengthy dresses and are concerned about the manner in which they dress. Most women who wear a dress are in a mini-skirt the next day. If they wear a dress it's only as a novelty for them, part of their

fashion wardrobe. In sharp contrast, a women should ALWAYS dress modestly and appropriately because God wants her to. Modesty is never optional. Improper clothing causes lust, lasciviousness and wars against men's souls the Bible says in *1st Peter 2:11, "Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul."*

Women who dress “sexy” in public have evil thoughts motivating their lewdness. It's immoral. If those women had any decency and were ladies, they'd put some more clothes on and refuse to wear tight clothing to seduce men to get attention. It's a sin to draw the wrong kind of attention to your body instead of your character, heart and inner beauty. Most women scoff at the idea of being a lady, which is why they'll never amount to anything more than a loser. Any woman who deliberately enjoys causing men to lust has an evil heart. A godly woman CARES and doesn't want to dishonor God by displaying her body as a piece of meat to be ogled by a pack of wild dogs. A good woman is a modest woman!

*“This know also, that in the last days PERILOUS TIMES SHALL COME. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away.” —2nd Timothy 3:1-5*

## Why Aren't More Christians Exposing Evil?

One man wrote to me and said I'm doing the work of a thousand pastors. Humbly said, I'm just trying to do the work of one, by God's grace. Another man said I'm one in a million. Actually, I'm one in 6.8 billion, and so are you! Those statements (although I greatly appreciate them, and am humbled) bother me greatly, because I'm just an average Christian who loves Jesus Christ. Why aren't there more Christians taking a stand? What is wrong with everyone? Perhaps I am one of very few people who actually take the Bible seriously, and believe that there's a Hell where Christ-rejecters suffer for eternity, and I love Jesus enough to take a stand for what's moral and right and THE TRUTH.

You'll have to look long and hard to find a Christian website these days that takes a bold stand like I do. That's really sad. I pray that more Christians would get bold, and say it like it needs to be said. Of the few websites that do take a stand, most are WRONG ON SALVATION. Lordship Salvation is the rot of the internet, a deadly infectious spiritual disease, as I mentioned earlier.

I love Brother Hyles (1926-2001)! This sorry nation owes Pastor Jack Hyles a debt of gratitude that cannot adequately be expressed in words. Millions of people's lives have been saved from Hell, changed for God, and blessed tremendously under Pastor Hyles' 55-years of ministry. America needs a handful of preachers like Dr. Jack Hyles, who uncompromisingly preached against sin . . .

*“Do you know what's wrong? Before you know it, you will turn to sin if you don't keep sin exceeding sinful. I'm not going to get to the place where I say, 'we at First Baptist Church look with disfavor on the movies.' No Sir! I'm going to say, 'That dirty Hollywood crowd is sending our nation to Hell.' I'm going to say, 'Young people, stay out of the movie houses! Stay out of them! Stay away from the Hollywood crowd! Stay away from the adulterous kind of sinful crowd, and turn your television off when one comes on.”*

—Pastor Jack Hyles, from the timeless sermon, *The Church First* | [Download MP3](#)

America could be brought back to God if preachers would start preaching again!

“I've been preaching a long time, and I've watched a lot of things happen. To me the saddest thing that I've watched in my life, apart from my own country going to the Devil nearly, has been the change of preachers and churches. I find myself amazed and stunned with near disbelief, as I see men who once stood who don't stand anymore . . . I know every week I cry some, I mean cry, I mean tear cry, because of preachers who are turning.”

SOURCE: Pastor Jack Hyles, from the 1972 sermon titled, *I SHALL NOT BE MOVED*

It's ridiculous that I am just one man, with all my chronic health problems, a nobody; yet I've accomplished more over the past 8-years than most pastors in America will in a lifetime. The power of the internet is exponential, which makes websites like Katy Perry's extremely dangerous; and likewise, Christian websites like mine very dangerous to the work of Satan. Our days are numbered on the internet. I know freedom of speech won't last. Censorship is coming. Let's make good use of the opportunity, the great and

effectual door as the Apostle Paul said in 1st Corinthians 16:9, “**For a great door and effectual is opened unto me, and there are many adversaries.**” Our window of opportunity as Christians won’t last. Now is the time, like never before, to flood the internet with sound doctrine, the pure Gospel of grace, uncompromising preaching against sin, and the teachings of the Word of God, **THE TRUTH** (John 17:17).

My philosophy is that if the Devil kicks you in the butt, you kick him in the groin. I am sad that I am alone for the most part in my pursuit of **THE TRUTH**, and my uncompromising stand against the Devil’s gang of cutthroats, homosexuals, traitors, adulterers, brutish pastors, blasphemers, and God-haters. Where are all my brethren? I’ve redirected every attack of Satan upon my life into my ministry to serve the Lord, defeat the Devil, and reach people for Jesus Christ (and it has worked wonderfully). The more Satan has attacked me, the stronger I and this ministry have become through the Spirit of God (Zechariah 4:6). I am on God’s side, the winning side, and the battle is all in God’s hands. Thank you Jesus! END

## POLITICAL CORRECTNESS RULES AT SUPREME COURT

*The Supreme Court says pornography is okay and it is okay to burn the flag, that Communists can work in our defense plants, that it is okay to teach witchcraft in our schools and that it is okay for our students to write papers about the devil.*

*But the Supreme Court says it is illegal to write papers about Jesus, it is illegal to pray in school, and now the Supreme Court says it is even illegal to pray before a football game.*

*Beam me up. I thought the founders intended to create a Supreme Court, not the Supreme Being. Think about that statement.*

*I yield back a Supreme Court that is so politically correct they are downright stupid, so stupid they could throw themselves at the ground and miss.*

## **Doing The Dirty Work!**

I don't like doing the constant dirty-work of exposing false prophets, public wickedness, crimes in government, and the evil agendas of our time... but somebody needs to do it! The Body of Christ has many jobs, personalities and places for every believer to fit in, but somebody needs to clean and unstop the toilets! Somebody needs to expose the [New World Order](#) and take an unpopular stand against divorce, women wearing pants and apostate [Contemporary Christian Music](#) (CCM) which leads people into the [Ecumenical Movement](#) of the New World Order. ~by David J.
